

ED Tracker

Sign Up and the My List Tracker

Sign Up

From the Tracker, highlight the patient and click **Sign Up**. 

- Your name will automatically appear in the **Nurse** cell on the Tracker.
- The patient is automatically added to the **My List** Tracker.
- Click **My List** to see the patients on your My List Tracker.

My List Tracker

- Only displays patients on the Tracker that you Signed up for.
- Patients stay on the My List Tracker until you manually remove the patient by using the **Remove from My List** footer button. However, 5 days after departed, My List patients will be automatically removed.
- Click **My List** to see the patients on your My List Tracker.
