Fenton Growth Charts for Preterm Babies

An external link in MEDITECH to the **Fenton Growth Charts** for preterm babies will allow a user to print the needed chart for manual documentation until the time that one can be built within MEDITECH.

1. Access **External Links** in MEDITECH by clicking the globe icon with the R located in the lower right corner of the screen.

2. From the list, locate and click on **Fenton Chart**.

3. You will be directed to a website where you can select which Preterm chart you need, male or female. Click on the chart you wish to view and print.
